Ps: Store Order Number = Customer order number
 You can drill down on the chart below to get monthly transit quantity.

1 - 100 / 312095 < >

Transit Quantity Sparkline

Ps: Use the up arrow button near top right corner of the chart, when you hover the cursor on the chart, to drill down in accordance with the month/ year .
 The Spikes you see are mostly Way-Days (April/October) and Black Fridays (November)
